

Central Texas Metal Roofing Supply Co., Inc.
830 Sagebrush Dr. Austin, TX 78758
800-428-7412

Mike Hayes

On behalf of Starr Roofing is an approved CTMRS installer for the following products:

ProSnap 100
ShurLoc 150
SpanLoc 100
SpanLoc 150
SpanLoc 200

The installer may represent to the public the Installer status on behalf of the company only. CTMRS does not warrant or represent that the installer and the company will utilize the methods and procedures approved by CTMRS and expressly gives notice to all third parties that the methods and procedures of the installer and the company are not subject to the direction and control of CTMRS. CTMRS does not supervise or inspect any installation of its products as a condition to certification.

This certificate shall remain in full force and effect during its term subject to the following conditions: The installer and company shall: (1) Cause the installer to be present on each job-site to supervise the entire installation of CTMRS product; (2) Maintain worker's compensation insurance (3) Maintain Primary Liability coverage in the minimum amount of \$250,000 for each loss; (4) Have no claims pending or asserted of negligent or defective workmanship of CTMRS product; and (5) Have not filed for protection from creditors under any state insolvency or debtor relief status or under the United States Bankruptcy Code.

Certificate term expires December 31, 2014.

A handwritten signature in black ink, appearing to read "Mike Hayes", is written over a horizontal line.
